Reports To:	Manager, Mineral Land Asset Management
Apply To:	Human Resources: humanresources@prairiesky.com
Location:	Calgary
Posting Date:	February 16, 2018
Closing Date:	March 15, 2018

Company Profile

PrairieSky Royalty holds the largest independently-owned portfolio of fee simple mineral title and other oil and gas royalty interests in Canada.

PrairieSky Royalty encourages third parties to actively develop its properties, while strategically seeking additional petroleum and natural gas assets that provide it with medium-term to long-term value enhancement potential.

The company is located in Calgary, Alberta, and trades on the TSX under "PSK".

The Position

PrairieSky has an exciting opportunity for a highly motivated student to join the Mineral Land Asset Management Department. The successful candidate will be responsible for various land related tasks including updating and maintaining data in the land system. This is a term position from May to August 2018.

Responsibilities

- Provide assistance in land and well data integrity projects.
- Complete historical title reviews on existing Fee lands utilizing archived records, imaged documents and Land Titles records.
- Research title encumbrances and resolve title discrepancies.
- Interpret registered plans and calculate acreage.
- Other duties and projects as assigned.

Qualifications

- Current student in the Energy Asset Management program or working towards a Petroleum Land Administration Certificate.
- Some previous mineral and fee land experience and knowledge of LandRite would be considered an asset.
- Excellent attention to detail with strong communication skills.
- Results-oriented with the ability to work both independently and in a group.
- Strong problem-solving and organizational skills with the ability to multitask in a fast-paced environment and meet deadlines.
