

Position:	Land Compliance Negotiator
Reports To:	Manager, Land Compliance
Apply To:	Human Resources: humanresources@prairiesky.com
Location:	Calgary
Posting Date:	March 1, 2019
Closing Date:	March 17, 2019

Company Profile

PrairieSky Royalty holds the largest independently-owned portfolio of fee simple mineral title and other oil and gas royalty interests in Canada.

PrairieSky Royalty encourages third parties to actively develop its properties, while strategically seeking additional petroleum and natural gas assets that provide it with medium-term to long-term value enhancement potential.

The company is located in Calgary, Alberta, and trades on the TSX under "PSK".

The Position

PrairieSky's Land Compliance Team is seeking a results-oriented individual with strong collaborative skills who can produce accurate work in a fast-paced environment. As a land compliance negotiator, the chosen candidate will be responsible for providing internal expertise regarding land compliance matters and resolving breaches of lease/contract terms within a geographic area. Candidates should expect to have a high degree of accountability and to think like an owner of the business.

This is a 6-month term position with the potential to become full-time for the right candidate.

Responsibilities

- Work closely with land compliance analysts and administrators to resolve breaches of lease and contract terms including offset compliance, drilling and production requirements, excessive royalty deductions, and financial/insolvency issues.
- Assist in interpreting and drafting lease and contract terms.
- Aid area negotiators, royalty compliance and land groups in compliance matters.
- Negotiate terms related to enforcement, amendment, or replacement of leases/contracts.
- Keep apprised of industry activities that may impact PSK land or revenues.
- Ensure a high standard of professionalism and ethics are exercised in all business dealings with a fair-but-firm approach to dispute resolution.

Qualifications

- Superior contract drafting, analytical and problem-solving skills.
- Strong ability to negotiate and collaborate with both external and internal parties and to mentor less experienced team members.
- Strong regulatory knowledge across all Western Canadian Sedimentary Basin jurisdictions.
- No less than 10 years' experience in land or joint venture analysis and negotiation is desired. Preference will be given to candidates possessing solid knowledge of facility, infrastructure and service agreements and related costs.
- Must have a working knowledge of land contract principles, geology, oil and gas operations, royalty accounting, and economics.
- A BComm degree or an acceptable combination of education and experience.
- Strong computer skills including land systems, Word, Excel and Accumap.
